SIR,

I have the honour to forward herewith copy of letter No.C.401-23 dated 11th October 1923 from the Deputy Commissioner, Hassan District, intimating that the Champa Shasti festival at Subrahmanya commences from 5th December 1923 and lasts till the 22nd of that month and soliciting sanction to an advance of Rs.3,915/- for purchasing the necessary provisions required for the Santarpane at Subramanya, Bisle and Sakalespur.

2. The Amildar's reports dated 27th August and 5th September 1923 and the Deputy Commissioner's letter explain the facts of the case in sufficient detail.

3. Last year an advance of Rs.3,950/- was sanctioned and an expenditure of Rs.3,625-12-5 was actually incurred. The concourse of people this year is expected to be larger than in previous years on account of Paryaya at Udipi coming soon after the Shasti festival.

The advance of Rs.3,915/- now asked for is in excess of the budgetted grants for conducting feeding at Subrahmanya, Bisle & x

Re Champa Shaasti festival
at Subrahmanya.

Consequent on the discontinuance of the grant-in-aid of Rs.150/- that was being paid to the Chickaballapur Chattram from the tasdik grant of the Bisle Chattram, proposals for a readjustment of expenditure in the Bisle and Sakalespur Chattrams have been worked up in this office and sent to the Deputy Commissioner for an expression of his views. The proposals as now worked up provide for an expenditure of Rs.400/- in the Bisle Chattram and Rs.100/- in the Sakalespur Chattram with a reserve of Rs.200/- a year.

Deducting from the amount of advance asked for by the Deputy Commissioner, a sum of Rs.500/- as above and a further sum of Rs.2,000/- being the tasdik grant for Barahazar Santarpane, ways and means for an additional sum of Rs.1,415/- have to be considered.

It was expected that orders on the abolition of certain Rest-houses in the State would have been passed by now but owing to delay on the part of the Deputy Commissioners in furnishing the views of the District Boards together with their own opinion, the matter could not be finally submitted for orders of Government.

In these circumstances, I beg to recommend that as in last year, the additional amount required for the current year's Santarpane may be sanctioned out of the ^{accrued} savings on account of the closing of certain Chattrams in the State.

4. As regards the contract for the supply of provisions, I am in agreement with the Deputy Commissioner's views and beg accordingly to recommend that the proposals may be tentatively tried this year.

5. Sanction may also be accorded to the Deputy Commissioner and the Amildar to proceed to Subrahmanya with the Clerical and menial establishments mentioned in the Deputy Commissioner's letter.

6. The favour of very early orders is solicited.

Muzrai Commissioner

Letter No.C.401-23/O.C. dated 11th October 1923 from the Deputy Commissioner, Hassan District, to the Muzrai Commissioner in Mysore, Bangalore.

I have the honour to state that the Amildar of Manjerabad Taluk reports in his No.28 dated 6th September 1923 received with the Sakalespur Sub Division Officer's Memo No.174/22-H.C. dated the 17th September 1923 that the Champa Shasti Festival at Subramanya in the South Canara District commences from 5th December 1923 and lasts till the 22nd of that month, that the Barahazar Santharpane has to be conducted for a period of 18 days and prays that on account of the anticipated increase of pilgrims this year a sum of Rs.3,915/- may be advanced for purchasing the necessary provisions for conducting the Santharpane. A statement showing the quantity of provisions purchased and spent last year and the quantity that has to be purchased this year is enclosed for reference.

2. With regard to the curtailment of expenditure of the Santharpane, it was considered by me to be economical if the contractor was made to supply the provisions on indents to the extent of our need only and to bill out to this extent, instead of purchasing once for all from the contractor, the provisions anticipated to be spent and then selling or bringing back the surplus. The Amildar was asked to submit suitable proposals in this behalf; but he reports that ~~as~~ as Subrahmanya is very far from Sakalespur and as there is no market for the kind of articles we take, there is considerable reluctance on the part of contractors to agree to the method suggested by me. The Amildar further reports that to secure the best results the only way seems to be to call for individual tenders for the major articles like rice, ghee etc., and a collective tender for all the other minor articles. As there appears to be a likelihood of getting provisions at cheaper rates by this procedure, I think, the method suggested by the Amildar may be tried this year with the modification that the articles are to be delivered to us at Subramanya and not at Sakalespur as stated by him. I am not in favour of taking delivery of the articles at Sakalespur and sending them through our agency to Subramanya. Further as recom-

mended by the Sub Division Officer, the tenders may be for the supply at Subramanya to the extent actually required, the remaining quantity being taken back by the tenderer. If this condition is not accepted by any one, the usual procedure of selling the surplus and crediting the proceeds to Government may be adopted. As timely notice has to be given to outsiders in this connection, I request that you will be so good as to obtain the sanction of Government in the matter. The advance of Rs.3,915/- prayed for by the Amildar may also be sanctioned early, subject to adjustment in due course.

3. I request permission for myself and the Amildar of the Manjarabad Taluk to proceed to Subramanya on the occasion with the necessary clerical and menial establishment as noted in the margin.

Adverting to para 2 of Government Pro.No.640-41/M.F.125-23-2 dated 13th November 1923, permitting the Deputy Commissioner and the Amildar of Sakalespur to proceed to Subrahmanya in connection with the Barahazar --- Santarpane, I have the honor to submit herewith copies of the marginally

from the Deputy Commissioner : retention of Mr.R.Thammaji Rao, --
D.O.letter dated 24th November : Amildar, under orders of transfer to
to the Deputy Commissioner : Doddaballapur till the Santarpane is
----- : over.

2. Grant of leave to Mr.Mohadeen Sheriff having become imperative -- on account of his bad health and consequent need of medical treatment, the transfer of Mr. R.Thammaji Rao was made at my suggestion as it would not have been possible for an Amildar unacquainted with Doddaballapur which is not also the head-quarter of the Sub Division Office, to take up the duties at present without serious detriment to relief measures. The Deputy Commissioner (Mr. Mylar Rao) made a similar reference to me on the 17th instant and in my reply of the 20th instant, I pointed out to him that I would not have disturbed Mr. Thamaji Rao but for the fact that conditions are pretty bad at Doddaballapur and it was a matter of vital importance.

3. As regards the Barahazar Santarpane at Subrahmanya I feel ----- persuaded that with the presence of the Deputy Commissioner on the spot and the assistance of the two non-official gentlemen whose deputation

has been separately recommended, things will run smooth.

As, however, the Amildar of Manjarabad is new to the place, I --
solicit sanction of Government to permit the Sub Division Officer of
the Sakalespur Sub Division to proceed to Subrahmanya and stay there
as long as is absolutely necessary.

D.O.No.

Dear Sir,

I am in receipt of your letter D.O. letter of the
22nd instant.

Mr. B. Suryanarayana Rao, Clerk of the Secretariat *has*
been appointed by Government as Amildar in Mr. Mohadin Sheriff's
leave vacancy and has ^{accepted} with the approval of Government ~~posted~~ to
Manjarabad Taluk; he has also been asked to join his new appoint-
ment forthwith and I do not think that Government can or should
again be approached in the matter.

Government have permitted you to proceed to
Subramanya this year and you may, if necessary, stay a few days
longer than you originally thought of doing and thus see that
things go on smoothly.

The Revenue Secretary to Government is being
separately addressed to permit the Sub Division Officer also to
go to Subramanya as the Amildar is a new man.

I hope that by this time all the preliminary arrange-
ments regarding the contract for provisions etc., have been
settled and that the Taluk Sheristedar is proceeding to Subramanya
with the usual establishment.

The deputation of non-official gentlemen has also
been recommended to Government and as they have the experience
of previous years, I trust they will be of immense help to the
Officers of the Mysore Government.

In these circumstances, I request that Mr. R. Thammaji
Rao may be relieved immediately and instructed to join Doddaballa-
pur forthwith.

Yours sincerely,

Cops "

(Letter dated 22nd November 1923 from the Deputy Commissioner Hassan District to the Muzrai Commissioner in Mysore.)

"Your D.O. of the 20th instant about the transfer of Mr. Thammaji Rao reached me this morning.

Mr. Thammaji Rao is not anxious to remain at Manjarabad. He told me at the beginning of this month when I had gone to Saklespur, that he wanted ^ato change as his people were falling ill frequently and were not keeping good ^ahealth. It is likely therefore that he would welcome the transfer.

My difficulty mainly is as regards the Barahazar Santarpane at Subrahmanya. A new man is likely to find it hard to manage things at Subrahmanya. Mr. Jayarama Iyer and Mr. Venkoba Rao, who have personal experience of the way in which things are carried on by the Temple --- Manager, can explain to you in person, what the state of things there is and how necessary it is to have an officer possessing tact and ---- local knowledge for satisfactorily conducting the santarpane. The Sub Division Officer, Mr. Narayanasami Iyengar, has gone on privilege leave on account of his father's death, and I understand he is not -- likely to come back till the end of this month. His revenue and --- criminal work is in arrears and he is not going to Subrahmanya. I am going there only for three days. In these circumstances, I have addressed you again to kindly permit me to retain Mr. Thammaji Rao till the santarpane is over. I would not have troubled you with this request, but for the apprehension I entertain of the Santarpane not -- passing off smoothly and satisfactorily under a new man in the present hot atmosphere at Subramanya."

Mr. Narayanaswami Iyengar's leave has not yet been notified. He first applied for 2 days' casual leave from 8th November. On account of his father's death he wanted 18 days' privilege leave. The leave application was intended to go to Comptroller and then to this office, but it was by mistake sent over here on 29th November. So, it is sent to the Comptroller. The Deputy Commissioner now says that Mr. Narayanaswami Iyengar has applied for extension till 1st December (on account of some pollution.) as his father's ceremony could not be performed. The leave certificate has not been received. Whether he requires further extension is not known. _____
